WATCH THE VIDEO FROM 1st HoCare THEMATIC WORKSHOP IN MADEIRA

More than 100 participants attended the **first International Thematic Workshop in Funchal, Maderia** on 27 January 2017. It offered many opportunities to exchange experiences and good practices in the field of innovative solutions for home care and more specifically in “unmet needs”. The workshop was part of the European project “**HoCare**” which deals with the issue of ageing population and is focused on innovative solutions for home care. 2nd INTERNATIONAL THEMATIC WORKSHOP IN BUDAPEST

The second HoCare **International Thematic** workshop was organized in **Budapest** on 27th and 28th March 2017 by the National Healthcare Service Center from Hungary. The focus of the workshop was on generation of innovation through the **public driven innovation approach**. In total, 3 International Thematic Workshops will be organized within HoCare project each covering one thematic sub-objective of the HoCare project.

STAKEHOLDERS ON HOME CARE MEET IN PARTNER REGIONS

During the last months several meetings of **multi-stakeholder groups** were organized in partner regions. To increase the chance of achieving policy exchange, project partners actively involve relevant stakeholders from their regions in the activities of the project. Members of multi-stakeholder groups are formal and informal providers of health care, industrial actors or business support actors related to Home care industry, research actors and public actors. Check out which topics were discussed in the meetings in [Bulgaria](#), [Slovenia](#), [Czech Republic](#), [Romania](#), [Portugal](#), [Cyprus](#) and [Lithuania](#).

UPCOMING EVENTS: 3rd HoCare INTERNATIONAL THEMATIC WORKSHOP IN SLOVENIA

The third International Thematic Workshop will take place on **7 and 8 June 2017** in **Litija, Slovenia**. The focus of the workshop will be on bringing innovative home care solutions more quickly to the market. 27 good practices on innovation in home care will be defined and exchanged among partners within the project. Follow www.interregeurope.eu/hocare/ for more information and the agenda for the workshop in Slovenia.
